U.S. DISTRICT COURT

UNITED STATES DISTRICT COURT
for the
District of New Jersey

THE UNITED STATES OF AMERICA).

v.)

JOHN W. BARRY, JR.)

Case No. 20-744

Defendant

“DUE PROCESS ADMINISTRATIVE NOTICE OF LACK OF IN PERSONAM JURISDICTION
and inapplicable *choice-of-law* and *forum non-conviens* issues”

TO UNITED STATES DISTRICT JUDGE(S) for THE DISTRICT(S) OF NEW JERSEY, ET ALIA:

On 06/30/2020, in the case of United States Agency for International Development v. Alliance for Open Society International, Inc.—a 5-3 ruling saw the US Supreme Court wiping out all lower court rulings that supported using US tax dollars to fund unauthorized overseas operations—with Justice Brett Kavanaugh stating: **“In sum, plaintiffs’ foreign affiliates are foreign organizations and foreign organization operating abroad possess no rights under the U.S. Constitution”.**

Pursuant to: IRC Title 26 - Subtitle F - Chapter 79 - Section 7701 (39) - Persons residing outside United States: If any citizen or resident of the United States does not reside in (and is not found in) any United States judicial district, such citizen or resident shall be treated as residing in the District of Columbia for purposes of any provision of this title relating to — (A) jurisdiction of courts, or (B) enforcement of summons, and furthermore, non-resident alien beneficiaries of self-settled trusts are not required to pay any income tax to or file any tax returns with the United States. See 26 C.F.R. Section 1.6012-1(b)(2).

TITLE 6 - Commerce and Trade – DELAWARE: SUBTITLE I-Uniform Commercial Code (UCC) ARTICLE 9 - SECURED TRANSACTIONS - Part 3 - Perfection and Priority: 72 Del. Laws, c. 401, § 1.: § 9-307 - Location of debtor- Debtor is located in the United States; § 9-307 (h) *Location of United States*. — The United States is located in the District of Columbia.

I, John-Wesley: Barry Jr.©, having attained the age of majority, am one who is competent to contract; is sui juris; has all the rights to which a freeman is entitled, and am not under the power of another, as a slave, a minor, a US citizen/U.S. citizen, a disregarded entity and the like.

This administrative and due process notice is in response to the "ARREST WARRANT", for the indictment dated 09/02/2020 at Camden, New Jersey, that was issued by issuing officer, KAREN M. WILLIAMS UNITED STATES MAGISTRATE JUDGE, allegedly for Conspiracy: 18 U.S.C. §371 (1 count); Aiding and Assisting False Tax Returns – 28 U.S.C. §7206(2) (11 counts); Obstruction of the IRS – 26 U.S.C. §7212(a); Failure to File an Income Tax Return – 26 U.S.C. § 7203, and the resultant email communication I received from GINA AMORIELLO/Gina Amoriello, Esquire ("Ms. Amoriello"), on 10/23/2020, requesting that I enter a standard "Not Guilty" plea into the official record(s).

In order to competently present myself before this court/tribunal, I am submitting this "Restricted Appearance" in order to ascertain the jurisdiction this court/tribunal will be operating under during the "Zoom Call" that is scheduled to occur on 10/26/2020 by 3:00 p.m., pertaining to the INDICTMENT" of the State franchise citizen John Barry Jr., that was signed by JOHN N. KANE, JR., Assistant Chief, U.S. Department of Justice, Tax Division, Northern Criminal Enforcement Section and SEAN M. GREEN, Trial Attorney, U.S. Department of Justice, Tax Division Northern Criminal Enforcement Section; for the capacity and jurisdiction (legislative authority) under which this tribunal/court will be operating, on and for the official record(s). *Copy of ARREST WARRANT enclosed.*

Due to Ms. Amoriello's failure to provide full disclosure by stating the jurisdiction (legal/legislative authority) within which this legal matter will be adjudicated I am unable to enter any type of "plea" at this time, and this egregious oversight is further compounded by the apparent co-mingling of multiple unspecified jurisdictions:

Jurisdiction #1 - The captioned case on the "ARREST WARRANT" that was purportedly issued by the territorial District of New Jersey for the franchise citizen identified as John Barry Jr., and

Jurisdiction #2 - The resultant "INDICTMENT and BOND" that was issued for the MUNICIPAL CITIZEN identified as JOHN W. BARRY JR., and captioned THE UNITED STATES OF AMERICA, Plaintiff v. JOHN W. BARRY, JR., Defendant, Case No., CR# 20-744.

Jurisdiction #3 - The UNSECURED/unsecured, APPEARANCE BOND pertaining to this legal matter is captioned UNITED STATES OF AMERICA v. JOHN W. BARRY, JR., Case Number: 20cr744(RBK) that was signed on October 22, 2020, lists the defendant as John W. Barry, Jr.

Jurisdiction #4 - Additionally, the "ORDER SETTING CONDITIONS OF RELEASE", signed by Judicial Officer HON. ANN MARIE DONIO, USMJ, captioned "United States of America v. JOHN W. BARRY, JR., Case No., 29 of 744(RBK), that was issued to the (territorial) United States Marshal, was issued from yet another undisclosed jurisdiction.

Volenti non fit injuria - He who consents cannot receive an injury. 2 Bouv. Inst. n. 2279, 2327; 4 T. R. 657; Shelf. on ar. & Div. 449. - The corollary is thus: he who does not consent can receive an injury. Therefore, **I do not consent.**

PLEASE TAKE DUE PROCESS NOTICE:

On 09/12/2018, the State(s) of New Jersey surrendered custody of John Wesley Barry Jr., back to me, thus, requiring its removal from the State's archive and creating an estoppel against any further licensing out to its sub-contractors. Administrative copy of "Authenticated Certificate of Birth" is enclosed.

On June 19th 2019, I repatriated said Authenticated Certificate of Birth, via Registered Mail

RE 683 137 694 US, back into the custody of the U.S. Department of the Treasury, and Mr. Steven T. Mnuchin, his successors and or assigns is fiduciary. Said repatriation created an estoppel against the territorial State of New Jersey issuing any further licenses to its sub-contractors in the name of John Barry Jr., et alia.

Repatriation as you are (or should be) aware is the process of returning an asset, an item of symbolic value or a person – voluntarily or forcibly – to its owner or their place of origin or citizenship. The term may refer to non-human entities, such as converting a foreign currency into the currency of one's own country, as well as, to the process of returning military personnel to their place of origin following a war. It also applies to diplomatic envoys, international officials as well as expatriates and migrants in time of international crisis, such as the current “National Emergency” within the United States.

Federal citizenship is a municipal franchise domiciled in the District of Columbia. (Murphy v. Ramsey, 114 U.S. 15 (1885)) and the political rights of federal citizens are franchises which they hold as privileges in the legislative discretion of Congress.

I am not a federal or state employee and thus, I am not authorized to address this legal or any other matter on behalf of the United States government nor the District(s) of New Jersey. That responsibility rests with the office(s) of the lawyer(s) for the United States. Therefore, I am forwarding this legal matter to the attention of, Mr. Michael R. Sherwin – Acting U.S. Attorney for the District of Columbia, and Mr. Craig Carpenito – U.S. Attorney for the District of New Jersey, in their capacities as the chief legal prosecutors for the United States/District of Columbia, pursuant to: U.S. Code § 541.

.... “There is a United States Attorney in each district, who acts as the federal government's lawyer in the district, both prosecuting federal criminal cases and defending the government (and its employees) in civil suits against them”:

I am aware that the U.S. Attorney is not employed by the judicial branch but by the Department of Justice, which is part of the executive branch, therefore, I am bringing this matter to their attention due to the possible violations of certain executive order(s) that are being enforced by the current Administration, and for violating the “Touhy” regulations, and also for the illegal trespass into The United States by its circumvention of the Executive Office of the Office of the Legal Adviser, pursuant to the procedures as set forth in regulations at 22 C.F.R. 172:

Only the Executive Office of the Office of the Legal Adviser (I-JEX) is authorized to receive and accept summonses or complaints sought to be served upon the Department or Department employees. All such documents should be delivered or addressed to: The Executive Office, Office of the Legal Adviser, Suite 5.600, 600 19th Street NW., and

Pursuant to 22 C.F.R. 172.3(a), only L/EX is authorized to receive and accept subpoenas, Court orders or other demands or requests for official information or action.

Courts within the United States has jurisdiction to only “hear” two types of civil cases; contract disputes and tort claims and in the civil arena the legal meaning of “jurisdiction” refers only to the granted authority, not to a geographical area (land mass).

Jurisdiction is the practical authority granted to a legal body to administer justice, as defined by the kind of case, and the location of the issue (its *situs*). In federations like the United States, areas of jurisdiction apply to local, state, and federal levels. Colloquially it is often misused to refer to the geographical area to which such authority applies, e.g., the Court has jurisdiction over all of New Jersey. Jurisdiction draws its substance from international law, conflict of laws, constitutional law, and the powers of the executive and legislative branches of government.

Failure to State a Claim

Trustees have no standing to sue and "Office-holders" are NOT officials. All BAR attorneys are "prohibited" from representing the "People"; they can only represent government officeholders and employees "within" their own corporations, defined pursuant to BAR Charter and any Judge that prohibits anyone from representing themselves or hiring a counsel other than a BAR attorney, is in fact, committing a felony on the bench in violation of the Taft-Hartly Act (running a closed union shop) and the Smith Act "Acting As Agents of Foreign Principal" (overthrow of Constitutional form of government).

Impersonating a Public Official

Any and all tax collectors (IRS agents), police officers, sheriffs departments, DOT, tag agencies, BAR attorneys, Judges, Highway Patrol, "appearing as elected officials," are just "private contractors," who can now be brought up on fraud charges for "impersonating a public official while receiving federal funding."

Standing to Sue or Be Sued

Standing to be sued is the capacity of a person or sovereign to be a party defendant in an action. a state as sovereign has no capacity to be sued except in cases in which it has consented to suit. **However, the territorial State(s) of New Jersey, is a corporate (legal) entity and corporations have no sovereignty (Fairfield Doctrine).** Black's Law Dictionary Sixth Edition (page 1405).

A demand is herein being made for the delegation of authority from the federal official(s) who granted the territorial State of New Jersey jurisdictional authority to license out my tradename and copyright to foreign private investors without my express.

Failure to acknowledge this demand for clarifying the jurisdictional (legal authority) of this tribunal/court would necessitate that claims for damages be filed against all parties in their personal and fiduciary capacities within the District of Columbia/the United States. See *Tindal v. Wesley* (167 U.S. 204 (1897)).

This is your Notice of my acceptance of your oaths and offices and commission pledges to operate in a lawful manner and my recognition of foreign efforts to impersonate me and deprive me of my Constitutional Guarantees and Due Process protection by means of virulent fraud. All are without excuse. Including but not limited to the individual successors and or assigns in their private and or capacities within the U.S., all Enclaves, Insular Possessions, Territories, together with all Cities, Municipalities, Counties, Townships, etc., all sundry employees, agents, officers, officials, independent contractors, an all a/k/a: PUBLIC SERVANTS commencing this binding contract.

All individuals who are party to this fraudulent claim are hereby impleaded and are held liable in their personal capacity for the transgressions that will be listed within the "Fee Schedule" a determination of which cannot be ascertained at this time due to failure on the part of the Plaintiff to produce conclusive evidence into the public records.

Impleader: A procedural device through which third parties can be brought into litigation. Typically, the device is used by defendants who bring in another party and try to show that this "third party defendant" is liable instead of the original defendant. see, [Caterpillar Inc. v. Lewis, 519 US 61 (1996)].

As a courtesy, I am copying the executive offices of the U.S. Secretary of State and the U.S. Commander-in-Chief, due to the ongoing national emergencies and illegal entries into The United States by this foreign private sub-contractor/registrant for the territorial State(s) of New Jersey. I will not be a knowing and willing participants in any seditious acts against the Federal Administration.

I, John-Wesley: Barry©, am an American National, a New Jerseyan, and Holder in Due Course and Holder in Equity, of all tradenames and copyrights associated with my Lawful Person, however styled, ordered, punctuated, or spelled. These are private assets and I do not authorize any administration of these assets for the benefit of Third Parties. The United States is under bankruptcy protection and is immune from being sued, thus, the "remedy" that is mine under Title 46, Appendix App. - Chapter 22 78 has been denied me, along with my due process rights.

I, John-Wesley: Barry©, was also denied "remedy" under 46 U.S. Code 31102 - Waiver of immunity: (a) In General.—A civil action in personam in admiralty may be brought, or an impleader filed, against the United States for (1) damages caused by a public vessel of the United States; or (2) compensation for towage and salvage services, including contract salvage, rendered to a public vessel of the United States.

Any further adverse action(s) taken without prior written consent (authorization) of Beneficiary, John-Wesley: Barry©, is strictly prohibited as it renders the Federal Administration to tort claim(s) for criminal trespass of my tradename and copyright.

I, John-Wesley: Barry©, am not an enemy of the state, as per title 50, Trading with the Enemy Act, (1933 as amended) but is at peace with all men, and I asseverate that the facts enumerated herein are set forth in good faith with clean hands and that the same are true, correct, complete and not misleading, so affirm without the United States. Explicitly reserving all rights without prejudice. UCC 1-308.
